## United States Governors Cup Robotics

**Tournament 2026:** DLS wants to praise God for the 25-26 Electrogators Robotics Team—sponsored by Reinke Manufacturing & Coached by Will Baden & Mike Oswald—for being the only team selected from the state of Nebraska to compete in the United States Governors Cup Robotics Tournament on Feb. 20-21 in Washington D.C. WOW—This is a BIG ACHIEVEMENT!! Besides the two-day competition, team members will have the opportunity to meet Governor Pillen and take in some of the sites from our nation's capital. DLS has a strong representation on this year's team as six of the seven members are connected to DLS. Two current DLS students, Evan Endorf & Jaydin Mackey, four DLS alumni, Dean Baden, Johnny Zucker, Gavin Endorf, & Haylyn Mackey, and Trinity Oswald complete the team. Obviously, this is an incredible honor & great opportunity for everyone associated with the Electrogators! Congratulations to Evan, Jaydin & the entire team!!
