LB 753 Opportunity Scholarship State 2024 Tax Credit Deadline Approaching: LB 753 is Nebraska's first school choice legislation and provides scholarships to qualifying students enrolling at Deshler Lutheran School. This bill allows Nebraska tax payers (individuals, estates, LLC's, foundations) the choice to designate up to 50% of their Nebraska state tax liability towards Opportunity Scholarship which provide educational freedom to qualifying families desiring to attend a Christian school. There is still time for you to **make a no-cost-to-you contribution** to the Opportunity Scholarships of Nebraska, designating DLS as the recipient of your funding, & receiving a dollar-for-dollar tax credit for the 2024 tax year, which can be rolled over for the next five years if unused. Thank you for everyone who has already done this! DLS will receive \$14,800 in opportunity scholarship funds shortly because of you! What a tremendous blessing to our families & ministry! You can choose to **support DLS & school-choice legislation by completing your paperwork by Oct. 21 and getting your payment to Opportunity Scholarships of Nebraska by Oct. 30.** The process is simple. Talk to your accountant or **visit www.nebraskaopportunity.org** for more information. Thank you for choosing to support DLS in this way!

"Therefore, since we are surrounded by so great a cloud of witnesses let us also lay aside every weight, and sin which clings so closely, and LET US RUN WITH ENDURANCE the race that is set before us, LOOKING TO JESUS the founder and perfecter of our faith, who for the joy that was set before Him endured the cross, despising the shame, and is seated at the right hand of the throne of God. Consider Him who endured from sinners such hostility against Himself, so that you may not grow weary or fainthearted."
