DLS began in 1889. Therefore, these activities would be things that the very first DLS students may have done on a regular basis.

Edgerton Explorit Center Assembly & Lab—Jan. 25: At 1:00 on Wednesday, Jan. 25 staff from the Edgerton Explorit Center will lead a demonstration titled "Raptorology—the Science of Raptors" followed by two labs in the DLS gym. Chapel Project Presentation: DLS designated Our Daily Hope, a ministry to the people of Roatan Honduras founded by Rick & Janel Stengel, for our chapel project. Rick & Janel will be going on a mission trip to Roatan Honduras later this month. DLS will be presenting them with a check on Thursday at chapel. These funds will be used to provide groceries to families in need in Roatan. Meeting the basic needs of families then provides an opportunity to share the greatest need that we all have—the need for a Savior, Jesus. Please keep this ministry & their upcoming trip in your prayers.

DLS Choir Singing @Trinity-Friedensau—Jan. 29: As part of NLSW, DLS will be singing at Trinity-Friedensau on Sunday, January 29th. Please plan on joining us. All are invited to Sunday school & adult Bible study following church. Thanks for joining us!
