Deshler Lutheran School
Dinner & Auction
November 18, 2023

Deshler Lutheran School Students
2023-2024

Welcome DLS Friends and Family,

Thank you so much for joining us for the 2023 Biennial DLS Dinner Auction! On behalf of Deshler Lutheran School—our students, families, staff, and congregations—I'd like to sincerely thank you for your prayers, support, and attendance! Please know that you are a tremendous blessing to DLS and our students! We are looking forward to a great event and hope you have a wonderful night!

By God's incredible provision, Deshler Lutheran School has had the awesome privilege of sharing the rock-solid TRUTH of God's Word, the love of our Savior, Jesus, and strong academics with our students for over 134 years. Jesus' words in John 15:5 are powerful and true. He says, "I am the vine; you are the branches. If you remain in Me and I in you, you will bear much fruit; apart from Me you can do nothing." Much has changed since DLS was formed back in 1889, but the importance of and need for Christ-centered education has perhaps never been greater. Thank you for helping DLS connect the next generation to the only Vine that produces fruit that will last---our Savior and King, Jesus!

Over the years, the auction has been a huge blessing to DLS by providing funding for special projects and needs that arise. This year is no exception as we aim to replace ceilings, lighting, and ceiling fans throughout our school facility. Please know that your support of this event will make a direct impact on our school ministry. We thank and praise God for your partnership! May all of us produce much fruit as we remain "Connected in Christ!"

In Christ,

Todd Voss, Principal
Deshler Lutheran School

the ability to serve Him through Christ-centered education. Thank you

Raffle Drawing

Raffle items:

- Milwaukee M18 FUEL 16" Chainsaw, 12.0 Ah battery & M18 rapid charger
 - \$200 Cash Prize
 - \$100 Cash Prize

100 envelopes will be sold.

Cost: \$20 per envelope

Please do not open envelope until instructed.

Wine Pull

Purchase a mystery bottle of wine for \$25. Thirty bottles are available for purchase. All bottles are disguised in a numbered wine bottle bag. Pick a numbered bag, but you won't know what's inside until after purchase; that's part of the fun! Don't wait...these will sell fast!

All the wine was donated by Katie Sorensen-Werner.

The Giving Tree

Hanging from the giving tree branches are ornaments decorated by each student at DLS. Accompanying each of these ornaments is a tag that lists a need for our school which has been designated by the teachers and staff. Needed items vary in value and the value of the item has been listed. If you would like to help our teachers and staff in this way, please take an ornament from the tree and hand it's tag to a cashier. The amount will be added to your final payment. **Please keep the ornament as our thank you.**

Table Centerpieces

This year's centerpieces are beautiful winter and Christmas décor and designed by Sugar Shack Country Candles. **All centerpieces are available for sale.** There are two tags on each centerpiece: a tag with the price and a blank tag. If you wish to purchase a centerpiece, **please write sold and your bidder number on the blank tag.** Leave the tag with your bidder number on the centerpiece so other auction attendees know it has already been purchased. Bring the tag with the price to check-out in order to pay for the centerpiece. All centerpieces must stay on the tables until the end of the evening.

Heads or Tails

Heads or tails is a game of chance and guaranteed entertainment! To participate, be sure to purchase a beaded necklace before dinner.

Each auction attendee can purchase a maximum of 5 beaded necklaces. Purchase 1 necklace for \$5 or 5 necklaces for \$20. Only 800 necklaces will be sold. When it's time to play, auction attendees who purchased a necklace will stand and make their heads or tails prediction public by placing their hands on either their heads or their tails. Once the coin flipper announces the results after each flip, if you were correct, you will keep your necklace on and keep standing. If your prediction was wrong, you must take one necklace off. If you purchased more than one necklace, you're still in the game until all your necklaces are gone. The last one standing wins $\frac{1}{2}$ the heads or tails proceeds. Be sure to purchase a necklace, or five or more!

You don't want to miss out on the fun!
